When requesting healing with the Master Angels, Master John guides us to be aware of these dynamics:

1. Natural law and our worthiness or deservedness.
2. The level of faith creates healing and transformation.
3. Always request or ask with reverence and in a humble manner.

Health Repair Requests¹

For Ebola Virus: I request the process for killing all Ebola virus and Ebola mutations in my cells, body and fluids. Thank you, with gratitude and full faith.

¹ Neither the statements in this protocol, the statements on the CMA website, nor the products described herein have been evaluated by the U.S. Food and Drug Administration. They are not intended to diagnose, treat, cure, or prevent any disease. Master John Douglas does not intend that his processes, protocols and recommendations are substitutes for prudent medical care by Doctors and Allied Health Professionals. Neither Master John Douglas CMA International Foundation, the Church of the Master Angels nor any of their affiliates, speakers or representatives offer medical advice and they are not medical organizations or doctors. There is no representation or warranty that the products and processes described in this Protocol are appropriate or will work for you and your specific individual situation.
